MISSION STATEMENT

ISC-Amman is recognized as a provider of top-quality education to a highly diverse student body. ISC-Amman will strive to help all students achieve their full potential, prepare all students for success in college, equip them with the ability and desire for lifelong learning, and strengthen their civic, ethical, and moral values. ISC-Amman will maintain high standards of efficiency and accountability throughout its operation.

THE SABIS® EDUCATIONAL SYSTEM

The SABIS® Educational System is a comprehensive academic program that has been developed and **refined for 135+ years**, and continues to adapt as new technologies evolve. With a balance of academics, self-development, and life preparation, it prepares students for success in college, fosters a **lifelong interest in learning**, and develops **responsible world-class citizens**.

THE SABIS® STUDENT LIFE ORGANIZATION

The SABIS® Student Life Organization (SLO) is the heart of the school and a pillar of the SABIS® Educational System. It is a student-led mini-society that **empowers students to get involved** in the day-to-day experience at their school and **offers countless academic, social, and emotional benefits** for everyone involved.

Education for a changing world.

Through the organization's nine departments, students have the power to **make a real difference in their school and community**. SLO prefects have the ability to organize academic and social events, host games and challenges, plan athletic activities, explore new skills, start clubs, raise awareness on and stand up for important causes, and much more.

SLO DEPARTMENTS

SOME OF THE ESSENTIAL 21ST CENTURY SKILLS OUR STUDENTS GAIN:

ATHLETICS

ISC-Amman athletics allow students of all ages to remain physically active while harvesting skills such as team building, perseverance, dedication, and consistency. ISC-Amman Varsity Teams include girls' and boys' swimming, girls' and boys' football, girls' and boys' basketball, and girls' and boys' track & field. Also, some of our students are part of Jordan's national teams, representing the country and competing internationally.

SCHOOL UNIVERSITY COUNSELING

University counseling starts as early as Grade 9, where students are advised on how to create a superior high school résumé featuring academic achievement, extracurricular activities, summer programs, internships, professional courses, etc. The main focus of university counseling is to ensure that students select the most suited university and receive the necessary expertise in navigating the college application process, writing essays, and submitting any supplementary information.

ALUMNI

ISC-Amman has a strong alumni network consisting of 810 alumni to date. Remaining connected is a mission that starts in school through creating families where our junior and senior students are linked with respective alumni. As a result, various social events are organized throughout the year such as gala dinners and in-school activities, one of which is hosting alumni to share their experiences with the students.
